Sixth Form Dress Code

King James's students, parents, staff and governors are proud of the school's dress code. Sixth Formers are asked to support the main school by wearing uniform smartly and in the spirit of a business environment. As Sixth Formers are role models for younger pupils, for example as helpers in lessons, House Captains, etc, the spirit in which students dress is very important to the whole school.

The basics are:

Sixth Form tie

Plain white, grey, blue or black shirt or blouse, suitable for wearing with the Sixth Form tie (no patterned/checked/striped shirts).

Plain black/brown shoes or boots

A plain long sleeve polo neck (high neck) jumper in black, cream, red or grey can be worn instead of the above shirt/jumper combination.

Curriculum Intervention

Please see separate page for the disciplinary and sanctions procedures.

Monitoring Performance

Students' academic performance is monitored in the following ways:

Method	By whom?
Bromcom	Subject teachers will record positive and negative comments. Form Tutors will regularly check Bromcom events. Initially, events are discussed with students by Form Tutors. When concerns become repeated and more serious, the Learning Manager will implement appropriate intervention.
Learning cycle information – every 9 weeks	Each learning cycle data is analysed by Learning Manager. Students with disappointing A to L (1-3) grades will be mentored by their Form Tutor or Learning Manager for the duration of the Learning Cycle. The Learning Manager will implement appropriate interventions to ensure student progress.
Attendance	High attendance provides for high success. Attendance is monitored daily and contact home is made the same day if a student is absent. Weekly attendance data is monitored by Form Tutors with concerns passed on to the Pastoral Officer and Learning Managers.

Rewards Procedure

The following system is designed to motivate, encourage and reward you when you get things right!
