

Pupil Name:

BEST WAYS TO REVISE IN GEOGRAPHY

You will need to use your **learning journeys** (which are also at the front of the chapters in your revision guide) with your exercise book and revision guide to make revision notes/ mind maps.

Do a **little** (spend small amounts of time when you are really focused)

Do it **often** (keep going over it)

Do it **differently** (revise in different ways eg. Ask someone to test you, write out flashcards, create a memory map, past papers questions)

THE EXAM

Living with the physical environment – Challenge of natural hazards, Living world, Rivers and Coasts

1 hour 30 minutes
