

Year 11 Geography Revision Timetable - GCSE exams 2025

Pupil Name: _____

It is essential that you start revising for your GCSEs early. There are lots of key words and examples you need to know. Each week you will need to work through the topics and make a mind map (concept map) and then when you have learnt it you will be needed to test yourself by doing past questions or doing the white workbook questions.

Useful resources:

Voice-over Revision PowerPoints – ItsLearning

Revision guide (blue book) and white workbook, Kerboodle – GCSE textbook, tutor2u revision blasts (estream), Youtube – planetlacey – Seneca Learning
